DESCRIPTION

The Office of Federal Contract Compliance Programs (OFCCP) issued its latest Corporate Scheduling Announcement List (CSAL) on September 8, 2023, quickly following the publication of the agency's updated supply and service contractor Scheduling Letter and Itemized Listing. Federal contractors that are scheduled for compliance reviews after August 24 must comply with the agency's enhanced and expedited information production obligations, perhaps very soon. In this webinar, the speakers will unpack the latest CSAL list, provide an overview of the most challenging aspects of the revised Scheduling Letter and Itemized Listing, and identify strategic considerations and response options for contractors selected for compliance reviews.
