\$59.00 per person (if registered on or after March 16, 2019)

DESCRIPTION

When accusations of inappropriate (or unlawful) workplace behavior surface, employers feel pressured to act—and act fast. It is risky for employers to make decisions without first gathering all the facts, and finding those facts requires thorough, effective investigations. Join us for an informative and interactive session to hone your skills in conducting and/or directing investigations, including interviewing difficult witnesses, handling confidentiality issues, empowering impartial investigators, dealing with claims against senior executives, and examining allegations about behavior that took place long ago.

REGISTRATION

Register online at www.ogletree.com or contact Jessica Ramirez at (210) 277-3609 or jessica.ramirez@ogletree.com.
