#### **LEVERAGING IMMIGRATION PROGRAM MANAGEMENT IN A CHANGING BUSINESS WORLD**

Business conditions including labor market shortages, real estate, and the pandemic have caused businesses to reimagine their employment models. Some companies essentially have been forced into multi-jurisdictional situations because they go where the talent is, even if it is remote or abroad. Implementing and managing flexible work arrangements to remain competitive in a tight labor market is more important than ever. We will discuss strategies for handling the tight labor market using immigration benefits as an incentive for recruitment while remaining compliant.
