DESCRIPTION

California employers are facing workplace safety issues related to the COVID-19 pandemic on a daily basis. This webinar will focus on helping California employers to understand their obligations and comply with certain Cal/OSHA regulations that may apply specifically to the COVID-19 pandemic. The speakers will discuss the relevant state regulations (including California's unique Aerosol Transmissible Diseases standard), key issues for employers continuing as essential businesses, employee training and communication, reporting and recordkeeping requirements, and personal protective equipment.
