DESCRIPTION

Virginia employers are navigating a host of newly enacted federal and state laws designed to protect and buoy both employees and employers in the throes of the COVID-19 pandemic. In this webinar, the speakers will discuss what Virginia employers need to know in order to survive and thrive in these challenging times. Topics to be covered will include:

- the interplay between Virginia's regulations governing unemployment benefits and the benefits provided by the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act;
- the difference between layoffs, furloughs, and reductions in hours and the impact of these cost-saving measures on your workforce; and
- paid leave requirements under the federal Families First Coronavirus Response Act.
