DESCRIPTION

California's outdoor heat regulation remains a top enforcement priority for the California Division of Occupational Safety and Health (Cal/OSHA). Join this webinar for an update on Cal/OSHA's enforcement activity and best practices for compliance. The speakers will discuss the significance of the California Occupational Safety and Health Standards Board's vote in favor of the proposed indoor heat standard after removing the issue from the agenda, and how Cal/OSHA may address heat-related issues under the Injury and Illness Prevention Program regulation.
