DESCRIPTION

On September 30, 2023, Governor Gavin Newsom signed into law Senate Bill (SB) No. 553, which requires virtually every employer in California to adopt a comprehensive workplace violence prevention plan, starting on July 1, 2024. This webinar will review SB 553 and the California Division of Occupational Safety and Health's (Cal/OSHA) proposed workplace violence prevention regulation. The webinar will address the new law's requirements to implement a written workplace violence prevention plan, to record every workplace violence incident in a violent incident log, to provide effective training to employees, and to maintain training records for at least one year.
