\$99.00
Complimentary for
Ogletree Deakins clients

Drug testing in the healthcare industry often requires a balancing act between safety considerations, shifting attitudes toward marijuana and other substances, and an increasingly complex legal landscape regarding marijuana. Join us for an insightful webinar that will address common challenges in drug testing within the healthcare setting, along with effective strategies and best practices to ensure legal compliance and safety.

Ogletree Deakins

Instructions for participation will be circulated before the webinar. If you have questions about the availability of CLE credits, please email cle@ogletree.com. To request an accommodation for a disability, please email accessibility@ogletree.com as soon as possible.
