### **DESCRIPTION**

Retirement plans remain a complex maze of rules, regulations, and trends for plan sponsors and plan fiduciaries. This webinar will focus on the immediate issues arising from the SECURE 2.0 Act of 2022, as well as fiduciary issues, including environmental, social, and governance (ESG) investing and cybersecurity, that will impact qualified retirement plans for years to come. The speakers will provide insights on plan amendments and communications with plan participants, best practices for partnering with service providers, and strategies to adequately protect plan fiduciaries.
