DESCRIPTION

By moving from tips or gratuities to mandatory service charges, hospitality and other service establishments may be able to designate their service staff as exempt from overtime pay under Section 7(i) of the Fair Labor Standards Act (FLSA). However, the 7(i) exemption for commissioned employees can be technical and present a number of pitfalls for the unwary. In this webinar, the speakers will discuss what the courts are saying about this exemption and offer best practices for ensuring legal compliance while taking advantage of the FLSA's exemptions.
