

A Global Employer's Guide to Managing the Global Employee—Day-to-Day Employment Issues

Join us for our *Global Employer's Guide* webinar series, presented by Ogletree's Cross-Border Practice Group. The series will explore the employment challenges faced by multinational employers throughout the entire employee lifecycle. Follow the journey of a fictional U.S. company as it expands overseas, with real-world examples from key global jurisdictions. In this second webinar, the speakers will address the challenges multinational employers encounter after hiring, including automatic transfer obligations, managing different forms of leave entitlements along with supplemental benefits, and the considerations and risks of cross-border work.
