

A Global Employer's Guide to the Future of Global Employment—Remote Work, AI, and the Changing Workforce

Join us for our *Global Employer's Guide* webinar series, presented by Ogletree's Cross-Border Practice Group. The series will explore the employment challenges faced by multinational employers throughout the entire employee lifecycle. Follow the journey of a fictional U.S. company as it expands overseas, with real-world examples from key global jurisdictions. The final webinar will examine the legal and practical implications of using AI in recruiting, performance management, workplace investigations, and employee monitoring, with a focus on emerging global regulations and best practices for multinational employers.
