DESCRIPTION

Organizations may need to restructure their workforces for a number of reasons, and for multinational employers, the legal issues and processes are particularly complex. In the second installment of the *Global Reorganizations* webinar series, the speakers will share insights on the legal framework, best practices, and potential risks to consider when restructuring in the United States and Canada. The series will feature attorneys from our Global Reorganizations, RIF/WARN, and Cross-Border Practice Groups, as well as attorneys from our international offices, who will share insights on the legal framework, best practices, and potential risks to consider when restructuring in the United States/Canada, Latin America, the Asia-Pacific region, and Europe, the Middle East, and Africa.
