DESCRIPTION

Organizations may need to restructure their workforces for various reasons. For multinational employers, the legal issues and processes can be particularly complex. In the fourth installment of our *Global Reorganizations* webinar series, the speakers will share insights on the legal framework, best practices, and potential risks to consider when restructuring headcounts in the Asia-Pacific region, including Australia, China, India, New Zealand, and Singapore. This webinar, featuring attorneys from our Global Reorganizations and Cross-Border Practice Groups, will offer practical tips for employers carrying out labor termination processes.
