### **DESCRIPTION**

Back by popular demand, our I-9 compliance webinar series will cover the key elements of the I-9 compliance framework and help you navigate the mechanics of this challenging form. The series is designed for attorneys and HR professionals who are new to the employment eligibility verification process, or who simply want to review the basics. In the first webinar, the speakers will review practices that demonstrate good faith compliance, and the importance of creating internal policies and procedures that ensure I-9s are prepared timely, accurately, and completely, and that I-9 records are properly maintained.
