Join us for an insightful webinar on the evolving landscape of immigration enforcement in today's workplace. The speakers will delve into the latest trends and priorities of immigration agencies, focusing on their heightened efforts to remove individuals with criminal records and the increased use of operational searches and arrest warrants. The speakers will also offer practical tips on how employers can effectively prepare for and respond to I-9 inspections and other on-site enforcement activities. Don't miss this opportunity to stay informed and ensure your workplace complies with current immigration enforcement practices.
