### **DESCRIPTION**

In this month's webinar, Leslie Wallis and Charles Thompson will discuss pending state legislation that has passed at least one of the houses of the California State Legislature. They will also cover the California Civil Rights Department's proposed regulations on artificial intelligence (AI) and automated decision-making systems, and SB 478, the new service charge legislation that goes into effect on July 1, 2024. Los Angeles shareholder Zander Chemers will join the webinar to discuss the compromise reached on Private Attorneys General Act (PAGA) reform and how this may impact representative wage and hour claims against California employers. Finally, Charles and Leslie will review recent employment law cases and verdicts.
