DESCRIPTION

Stay up to date on the latest California employment law developments in our recurring webinar series with Charles and Leslie. In the November 2022 edition, they will review recent remote work reimbursement cases that attempt to expand the scope of expenses for which employers are responsible. They will also address potential expanded whistleblower liability and new wage and hour cases impacting the calculation of overtime for holiday pay and shift premiums and rounding. Finally, they will cover a recent sexual harassment verdict in Southern California. This webinar will also feature two guest speakers—Tracie Childs, who will discuss California's new pay transparency law, and Karen Tynan, who will bring attendees up to speed on the new proposed Cal/OSHA COVID-19 standards.
