DESCRIPTION

Significant changes and new initiatives are underway at the Mine Safety and Health Administration (MSHA). In this webinar, the speakers will provide an update on hot topics such as MSHA's COVID-19 guidance and enforcement, and offer insights into post-election changes that may be on the horizon. Other topics will include the latest case law developments at the Federal Mine Safety and Health Review Commission (including the test for "significant and substantial" violations), what to expect from MSHA's rulemaking activities, and other areas of enforcement emphasis.
