DESCRIPTION

Effective August 1, 2023, U.S. Citizenship and Immigration Services (USCIS) will not only roll out a new edition of the Form I-9 but will also allow employers to conduct I-9 verification through virtual means instead of the traditional in-person verification process, provided the employer satisfies certain compliance requirements. In this webinar, the speakers will walk employers through the new Form I-9, the eligibility criteria to use the new virtual alternative inspection procedure, and how these changes impact employers' obligations to review original documentation under the COVID-19 temporary I-9 policy that sunsets on July 31, 2023.
