DESCRIPTION

With our rapidly changing cultural and political landscape, employers are receiving more complex internal complaints, such as allegations of systemic discrimination, cultural misconduct, and unconscious bias. Shoddy investigations of these complaints have significant ramifications for employers such as protracted litigation, PR nightmares, and low employee morale. This webinar will address the new wave of internal complaints, how to effectively investigate them and, most importantly, when to step away from a complaint and contact outside counsel.

REGISTRATION

Register online at www.ogletree.com, or contact Marilu Oliver at (404) 870-1755 or webinars@ogletree.com.

Instructions for participation will be circulated before the webinar. If you have questions about the availability of CLE credits, please email cle@ogletree.com. To request an accommodation for a disability, please email accessibility@ogletree.com as soon as possible.
