DESCRIPTION

As even more job applicants apply online and remote work becomes the norm for more employees, the enforceability of e-signatures in critical employment documents like restrictive covenant agreements, background check authorizations, and arbitration agreements is being called into question. In the final installment of our webinar series on top compliance issues for employers, we will recap new developments and trends concerning e-signatures and provide information about a multi-jurisdictional compliance solution tool.

REGISTRATION

Register online at www.ogletree.com or contact webinars@ogletree.com.

Instructions for participation will be circulated before the webinar. CLE credit is not available for this webinar series. We have submitted this program to the HR Certification Institute and SHRM for review. To request an accommodation for a disability, please email accessibility@ogletree.com as soon as possible.
