COST

\$99.00
Complimentary for
Ogletree Deakins clients

Nevada is adopting a new heat illness regulation, following the lead of states such as California, Washington, and Oregon. The new regulation will take effect on April 29, 2025, and includes extensive requirements for employers with more than 10 employees. In this webinar, the speakers will review the new regulation, offer best practices, and share real-life examples of heat illness prevention measures.
