DESCRIPTION

On August 5, 2020, the Nevada legislature approved Senate Bill 4, which provides enhanced cleaning policies for large casinos and hotels in Las Vegas and Reno; additional protections for workers at those casinos and hotels; and, most controversially, limited immunity from COVID-19-related litigation for businesses and government agencies. In this webinar, the speakers will discuss how the legislation, if signed by the governor, will affect employers in Nevada that are continuing to reopen and bring employees back to work.
