2:00 p.m. – 3:00 p.m. Eastern

COST

\$99.00

Complimentary for Ogletree Deakins clients

DESCRIPTION

On November 3, 2020, New Jersey citizens overwhelmingly voted to legalize the recreational use of marijuana for those 21 years of age and older. Join us for an important discussion on how this change will affect employers doing business in New Jersey. In this webinar, the speakers will address reasonable accommodation requests, enforcing “drug-free” policies against applicants and employees, recent court decisions affecting the intersection between marijuana and the workplace, and more.
