Join us for *OSH Law Primer*, a webinar series that provides an overview of the Occupational Safety and Health (OSH) Act and the Occupational Safety and Health Administration (OSHA), and how they influence workplaces in the United States. This webinar will cover OSHA-approved state plans and their distinctions from federal OSHA. The speakers will offer insights into the nuanced differences between federal OSHA and various state plans, including those in Arizona, California, Nevada, Oregon, Washington, Utah, and others. The final installment of the webinar series will focus on the topic of preemption.
