2:00 p.m. – 3:00 p.m. Eastern

COST

\$99.00
Complimentary for
Ogletree Deakins clients

This webinar will feature industry-critical information on the most frequently cited manufacturing violations under the Occupational Safety and Health Act over the past year, as well as strategies to avoid them. Topics will include the latest developments in lockout/tagout (LOTO) and machine guarding, chemical safety in manufacturing, and ergonomics. Our experienced safety lawyers will also share valuable insights and lessons learned from decades of working with manufacturers across the nation.

Ogletree Deakins

Instructions for participation will be circulated before the webinar. If you have questions about the availability of CLE credits, please email cle@ogletree.com. To request an accommodation for a disability, please email accessibility@ogletree.com as soon as possible.
