The second part of our *Pay Equity 2025* webinar series will focus on the practical and operational aspects of pay equity audits. Join us to learn how to effectively leverage pay equity audits to reduce legal risks and comply with both EU and U.S. regulations. Pete Bell, a member of Ogletree's data analytics team, will join Daniella McGuigan and Emily Halliday to discuss how to interpret and utilize data to evaluate pay practices and minimize potential legal issues. The speakers will share data analysis techniques and visual tools designed to identify and address wage gaps, as well as practical tips to help your organization proactively promote fair pay practices.
