2:00 p.m. – 3:00 p.m. Eastern

COST

Complimentary

DESCRIPTION

Employers are currently faced with tough decisions, due in large part to government mandates and economic conditions caused by the COVID-19 pandemic. These decisions may include large or small reductions in an employer's workforce, even after wage reductions, furloughs, and other alternative work arrangements have been exhausted. During this webinar, the speakers will explore the issues that may arise and strategies for reducing risk when contemplating and executing systemic employment terminations.
