DESCRIPTION

On October 23, 2023, the Department of Homeland Security published a notice of proposed rulemaking (NPRM) in the *Federal Register* entitled, “Modernizing H-1B Requirements, Providing Flexibility in the F-1 Program, and Program Improvements Affecting Other Nonimmigrant Workers.” The proposed rule seeks to update regulations governing the H-1B visa program, including provisions designed to revamp the H-1B cap registration process and ensure the integrity of the program. In this webinar, the speakers will review the proposed rule and discuss next steps in the regulatory rulemaking process.
