

Top 10 Global Employment Law Updates to Watch in 2026

Join us for a discussion on critical employment law developments that will reshape the global workplace in 2026. The speakers will cover a range of topics, including AI regulations in hiring and HR systems, reduced working hours, expanded worker protections, and crackdowns on contractor misclassification. This webinar will equip employers with the insights needed to stay ahead of compliance risks and to build a proactive global strategy.
