2:00 p.m. – 3:00 p.m. Eastern

COST

\$99.00
Complimentary for Ogletree Deakins clients

DESCRIPTION

With the days getting hotter and the first day of summer less than three months away, employers must again turn their attention to heat illness prevention. In addition to the U.S. Occupational Safety and Health Administration's (OSHA) standards, California, Oregon, and Washington State have their own specific heat illness regulations. Join this webinar for a review of best practices for compliance, training, and plan conformity. The speakers will also discuss enforcement pitfalls and employer policy requirements.

REGISTRATION

Register online at www.ogletree.com or contact webinars@ogletree.com.

Instructions for participation will be circulated before the webinar. If you have questions about the availability of CLE credits, please email cle@ogletree.com. To request an accommodation for a disability, please email accessibility@ogletree.com as soon as possible.
