DESCRIPTION

Keep current with our 60-minute summary of the latest employment law developments in our recurring webinar series with Rico and Rebecca. In our summer edition, Rebecca and our special guest, Alexandria Gardella, will discuss the June/July 2021 decisions from the Supreme Court of the United States that affect employers and take a closer look at President Joe Biden's new executive order on noncompete agreements. They will also address developments regarding vacation policies across the United States, COVID-19-related anxiety as a disability under the Americans with Disabilities Act, arbitration agreements, the Occupational Safety and Health Administration's general duty clause, claims arising under California's Private Attorneys General Act (do you need to be worried?), and more.
