1:00 p.m. – 2:00 p.m. Central
2:00 p.m. – 3:00 p.m. Eastern

COST

\$99.00
Complimentary for Ogletree Deakins clients

DESCRIPTION

Smoke from Canadian wildfires blanketing parts of the United States and Canada has prompted several states and localities—as far south as Alabama—to issue air quality alerts. Join this webinar for a discussion of the workplace safety and health hazards related to wildfire smoke, air quality, and heat exposure, as well as the regulatory compliance concerns at both the federal and state levels. The speakers will also review protective measures that employers may want to consider taking to ensure the safety and health of impacted employees in the face of unprecedented wildfire smoke.

REGISTRATION

Register online at www.ogletree.com or contact webinars@ogletree.com.

Instructions for participation will be circulated before the webinar. If you have questions about the availability of CLE credits, please email cle@ogletree.com. To request an accommodation for a disability, please email accessibility@ogletree.com as soon as possible.
