4:00 p.m. – 5:00 p.m. Central European Summer Time

#### COST

\$99.00  
\$49.00 (Ogletree Deakins client discount)

#### DESCRIPTION

The Macron Ordinances Ratification Act of March 29, 2018, changed the legal landscape in France by reforming the old measures that had governed workforce reductions and introducing new tools and options for employers. Today, employers can choose different instruments depending on the needs of their projects. In this webinar, we will present an assessment of the new measures after 17 months of use and provide practical feedback.
