### DESCRIPTION

With just a few weeks remaining before the California Consumer Privacy Act (CCPA) becomes effective on January 1, 2020, and just months before enforcement begins on July 1, 2020, the race to CCPA compliance has begun. Attorneys from the Ogletree Deakins Data Privacy Practice Group will present the fourth session in our series of webinars to prepare businesses that reach consumers in California for this complex law. This webinar will focus on practical guidance related to the following topics:

- Drafting service provider agreements
- Ensuring transparency under the CCPA
- Complying with your consumer rights obligations
- Protecting your organization from enforcement actions and their associated penalties
- Completing your compliance checklist before January 1
