Join us for a webinar focused on drug testing and marijuana issues, as well as the legal trends affecting the manufacturing industry. Michael McKnight, co-chair of the firm's Manufacturing Practice Group, will be joined by Christina Mallatt and Tae Phillips, co-chairs of the firm's Drug Testing Practice Group. They will discuss compliance with federal and state regulations, recent legislative changes, and best practices for creating and enforcing drug testing policies and handling workplace marijuana issues. Gain insights into how to balance workplace safety with employee rights while navigating conflicting legal risks.
