As Illinois employers begin the recertification process pursuant to the state's Equal Pay Registration Certificate (EPRC) reporting mandate, it is essential to prepare for the updated submission requirements to ensure compliance. Join us for an in-depth webinar where the speakers will discuss the latest changes to the EPRC data template, the integration of the new compliance statement, and strategies to avoid potential issues with the filing platform. Given the high volume of renewals scheduled for 2025, the speakers will outline the steps employers can take now to streamline their renewal process and stay ahead of the upcoming busy equal pay reporting season.
